

29th Annual Meeting of the Chinese Society of Mechanism and Machine Theory - CSMMT 2026

5th International Conference on Advanced Mechanism and Machine Technology - iCMMT 2026

Nov. 6-7, 2026

International Building,

National Taiwan University of Science and Technology, Taipei, Taiwan

Chinese Society of Mechanism and Machine Theory (CSMMT) in Taiwan is a member organization of International Federation for the Promotion of Mechanism and Machine Science (IFToMM). The 29th Annual Meeting of the Chinese Society of Mechanism and Machine Theory (CSMMT 2026) and The 5th International Conference on Advanced Mechanism and Machine Technology (iCMMT 2026) will be held in International Building at National Taiwan University of Science and Technology (NTUST), Taipei, Taiwan on November 6–7, 2026. CSMMT 2026 / iCMMT 2026 provides great opportunity for researchers, academia and students to exchange their ideas, research findings and discussions on the design and theory on advanced mechanisms and machines. We hereby welcome you to contribute the latest research works and participate in CSMMT 2026 / iCMMT 2026.

Topics of Conferences

Robots and Bionic Machinery

Tribology Design and Applications

Micro Mechanisms

Precision Measurement

Vehicle Engineering

Creative Mechanism Design

Other emerging technology

Conceptual Design of Mechanisms and Machines

Linkage Mechanisms and Biomechanics

Medical Devices and Assistive Technologies

Automation Control of Mechanisms and Machines

Cam and Gear Transmission Mechanisms

History of Machinery and Mechanisms and
Engineering Education

Intelligent Machinery and Smart Manufacturing

Machine Tools and Component Technology

Industrial Equipment Design and Applications

Product Design and Design Theory

Computer-Aided Design and Drawing

Vibration and Dynamics of Machinery

Important Dates

- Paper Submission start: 1 Jul 2026
- Paper Submission due: ~~6 Sep 2026~~ **Extended to 13 Sep 2026**
- Decision notification: 3 Oct 2026
- Paper revision due: 17 Oct 2026
- Registration due: 17 Oct 2026
- On-site registration: 6–7 Nov 2026

Paper Submission

- Submissions are accepted online only, and content can be written in either Chinese or English.
- Submissions should be in the format of a paper (4–8 pages) or an abstract (1 page), and oral presentations are required.
- Upon acceptance of the submission, registration must be completed before the payment deadline for publication.
- Ensure to upload both the paper and the signed 'Conference Paper Copyright Agreement' simultaneously in the submission system.

Paper Awards

- Outstanding Engineering Professor Award
- Outstanding Engineer Award
- Mechanism and Machine Theory Medal of Honor
- Outstanding Young Researcher Award in Mechanism and Machine Theory
- Best Doctoral Dissertation and Best Master's Thesis Award
- Best Paper Award of the Conference
- ADAMS Paper Award (The software of Adams required)
